13.1. NONCONFORMING USES AND LOTS

13.1.1. CONTINUATION OF NONCONFORMING USES AND NONCONFORMING STRUCTURES.

Any nonconforming uses or structures in existence at the time of the adoption of this Zoning Ordinance may be continued and shall not be subject to this Ordinance to the extent that the regulations, restrictions and requirements of this Ordinance would prohibit that use, or to the extent that such structure would not be permitted to remain. Any Nonconforming Use or Nonconforming Structure which, at any time, is not in use for a continuous six (6) month period following the adoption of these regulations shall be considered to have discontinued operations and, therefore, regardless of the reason or intent of such discontinuance, will no longer be permitted. The initial decision as to whether a existing Nonconforming Use or Nonconforming Structure has been abandoned shall be made by the Administrator, subject to said decision being appealed to the Board of Adjustment by the affected property owner within thirty (30) days of the ruling by the Administrator.

13.1.2. NONCONFORMING LOTS OF RECORD.

13.1.2.1. Single Lot of Record.

13.1.2.1.1. Permitted uses in any district may be allowed on any single lot of record existing at the effective date of adoption or amendment of this Ordinance, notwithstanding limitations imposed by other provisions of this Ordinance. Such lot must be in separate ownership and not of continuous frontage with other lots in the same ownership. This provision shall apply even though such lot fails to meet the requirements for area or width, or both, generally applicable in the zoning district.

13.1.2.1.2. Any existing lot of record which does not conform with lot area, ⁽¹⁾depth, or width requirements may be used for any permitted use in that zoning district so long as the parcel is not reduced in any manner or diminished so as to cause yards, lot coverage, or other open spaces to be less than required, except as provided in subsection 13.1.2.1.3.

13.1.2.1.3. Dimensional requirements other

than those applying to lot area, ⁽¹⁾depth, or width shall be met.

13.1.3. EXPANSION OR ENLARGEMENT OF NONCONFORMING USES OR CHANGE TO ANOTHER NONCONFORMING USE.

13.1.3.1. A Nonconforming Use shall not be expanded, enlarged or changed to another Nonconforming Use except as provided in this section 13.1.3.

13.1.3.2. No structural alterations shall be made to a Building or other Structure substantially occupied by a Nonconforming Use except as necessary:

13.1.3.2.1. to comply with the requirements of a federal or state laws or regulations, or local ordinance of general applicability;

13.1.3.2.2. to accommodate a Conforming Use; or

13.1.3.2.3. to make such structure conform to the applicable dimensional regulations.

13.1.3.3. A Nonconforming Use may be changed to any Conforming Use. The applicable zoning district dimensional regulations of Table 4.7-1 shall not apply to such change of Use. However, all other design standards of this Ordinance (such as parking, landscaping, etc.) shall apply. Nonconforming Uses shall not be expanded or enlarged unless such expansion or enlargement shall comply with all applicable zoning district dimensional regulations.

13.1.3.4. A Nonconforming Use may be changed to another Nonconforming Use which more closely approximates permitted Uses in the Zoning District, with respect to scale and intensity of use, upon issuance of a Certificate of Nonconformity Adjustment.

13.1.3.5. ⁽²⁾Nothing herein shall prevent the maintenance, repair, and expansion of a single-family dwelling that is nonconforming as to use, provided that such is done in conformance with the dimensional requirements for the RV Residential Village zoning district as set forth in Table 4.7-1.

(2) TA-2009-13 – City Council approved 1/25/2010

13.1.4. NONCONFORMING STRUCTURES.

13.1.4.1. Expansions or additions to structural parts of a Nonconforming Building or other Structure shall be permitted with the issuance of a Certificate of Nonconformity Adjustment. Repairs to existing Nonconforming Buildings or Structures that do not include an expansion or addition shall not require a Certificate of Nonconformity Adjustment.

13.1.4.2. Nonconforming Buildings or other Structures shall not be expanded or enlarged unless such expansion or enlargement shall comply with all applicable zoning district dimensional regulations.

13.1.4.3. ⁽¹⁾Multiple ground signs will be allowed for existing combined developments with the issuance of a Certificate of Non-conformity Adjustment.

13.1.5. CONTINUED NONCONFORMANCE AFTER DAMAGE OR DESTRUCTION.

13.1.5.1. When a Nonconforming Building or Structure or a Building containing a Nonconforming Use is damaged or destroyed by fire, storm or other casualty, such Building may be rebuilt, reconstructed and/or reoccupied only in accordance with the provisions of this § 13.1.5.

13.1.5.2. Where a Building or other Structure substantially occupied by a Nonconforming Use is damaged or destroyed as a result of fire or other natural/uncontrollable factor, such Building or Structure may be reconstructed and such Nonconforming Use may be continued, provided that any such reconstruction does not increase the degree of any Nonconformance, and only upon receipt of a Zoning Clearance Permit. However, if a Building or other Structure substantially occupied by a Nonconforming Use is voluntarily removed or altered, such structure and site shall be subject to all applicable design standards of this Ordinance, and shall be permitted only upon the issuance of a Certificate of Nonconformity as set forth in Section 13.1.6, below.

13.1.6. CERTIFICATE OF NONCONFORMITY ADJUSTMENT REQUIRED.

13.1.6.1. A Certificate of Nonconformity Adjustment shall be required to enlarge, expand or

otherwise alter any Nonconforming Use or Structure as set forth in this Section 13.1. A Certificate of Nonconformity Adjustment shall be issued by the Board of Adjustment subject to the requirements of this section.

13.1.6.2. Application for a Certificate of Nonconformity Adjustment shall be submitted on a form prescribed by the Administrator. An applicant for a Certificate of Nonconformity Adjustment shall submit a detailed plan of the existing site, showing, the degree of Nonconformity with respect to the dimensional and design regulations of this Ordinance. In the case of a Nonconforming Use the application shall include an detailed explanation of the current Use including documentation of traffic generated by the current use.

13.1.6.3. A Certificate of Nonconforming Adjustment may be granted by the Board of Adjustment in accordance with the provisions of this section. Steps in the nonconformity adjustment process are:

- **Step 1 - Application.** An application for a nonconformity adjustment will be considered by the Board of Adjustment upon the filing of a form entitled "Request for Nonconformity Adjustment", available within the Office of the Administrator.
- **Step 2 - Notification of neighboring landowners and hearing.** The Board of Adjustment shall conduct a hearing on the application pursuant to the procedures established in NCGS § 160A-388 and § 3.1.7 of this Ordinance. All landowners adjoining to any degree (including lying across roadways) the site of the nonconformity will receive notification of the filing of the request for a Certificate of Nonconformity Adjustment and the hearing.
- **Step 3 - Decision by Board of Adjustment.** After the hearing for a nonconformity adjustment, the Board of Adjustment will either approve or deny the request. The Board's decision to approve may be based upon the applicant agreeing to site changes. The decision to approve or deny will be made based on the following criteria:
 - Noise. Does the nonconformity create noise above and beyond levels considered normal to the area?
 - Traffic. Does the nonconformity generate or have the potential to generate a

significantly higher volume of traffic than surrounding land use?

- Other measurable, physical effects. Does the nonconformity generate any other negative effects including but not limited to: dust, air pollution, foul smell, etc.?
- Surrounding property values. Does the nonconformity detract from the prevailing property values?
- Aesthetics. Does the nonconformity compliment or detract from the overall aesthetic character of the area?
- **Step 4 - Changes to the nonconformity.** The Board of Adjustment will determine what the nonconformity operator/owner must do to the property for certification. For example, landscaping or fencing may be required or a shift of operations away from adjoining properties may be stipulated.

13.1.6.4. Denial by Board of Adjustment. If the Board of Adjustment, after an analysis of the facts of the situation, finds the nonconformity cannot be adjusted, it will be handled as such and subject to those provisions of this Ordinance which deal with unreformable nonconformities. Appeals from the Board of Adjustment shall be filed with the Clerk of the Cabarrus or Rowan County Superior Court within 30 days of the final decision of the Board. The Board of Adjustment's decision shall be considered a final decision after the Board approves the official minutes containing such during an official meeting.

13.1.6.5. Approval by Board of Adjustment. Certificates of Nonconformity Adjustment may be issued with or without conditions. Such conditions shall "run with the land" and subject all future property owners with the same restrictions.

13.1.7. REPLACEMENT OF NONCONFORMING MANUFACTURED HOMES ON INDIVIDUAL LOTS.

13.1.7.1. Nonconforming manufactured homes on individual lots not zoned with an appropriate Manufactured Home Overlay district may be removed and replaced only as provided by Section 3.1.5 or 3.1.6 of this Ordinance. Any replacement must conform to the design and installation standards of Section 4.17.8.2 of this Ordinance.

13.1.8. RESERVED.

13.2. VESTED RIGHTS.

13.2.1. PURPOSE AND INTENT.

The purpose and intent of this Section is:

- To provide detailed administrative rules, regulations and procedures in order to guide officials in the administration, interpretation and implementation of the Unified Development Ordinance, and/or any other ordinances, regulations and or administrative rules adopted by the City in order to implement a comprehensive plan for development.
- To establish predictability and fairness for affected landowners;
- To recognize that development projects for which vested rights have been obtained must be accounted for in the *Comprehensive Plan*, the Unified Development Ordinance, capital improvements programs, and other land development regulations.
- To provide a method for determining and quantifying the number of projects, development projects, and land uses, which do not now comply with this Ordinance, or which may in the future fail to comply with this Ordinance due to subsequent amendments to this Ordinance but which are vested, so that such projects, development projects and land uses can be accounted for in the existing and future general plans and this Ordinance.
- To establish uniform and non-burdensome procedures and specific criteria for the determination of vested rights and claims of equitable estoppel in order to aid in the accomplishment of sound and orderly planning;
- To define the scope of vested rights that have been obtained by virtue of prior development approvals, including the expiration of development permits;
- To protect legitimate investment-backed expectations;
- To protect the planning and implementation process;
- To settle potential disputes and to minimize protracted and costly litigation;
- To facilitate implementation of the goals, objectives and policies set forth in the *Comprehensive Plan*; and
- To ensure that all applicable legal standards and criteria are utilized in the determinations to be made hereunder.
- To implement the provisions of NCGS § 160A-385.1 *Vested Rights*.

13.2.2. APPLICABILITY.

This § 13.2 shall apply to any person(s) desiring to obtain a right to develop land beyond the time limitations as set forth in other sections of this Ordinance.

13.2.3. AUTHORIZATION.

The provisions of this Section 13.2 are authorized by NCGS § 160A-385.1 *Vested Rights*.

13.2.4. DEFINITIONS.

The following terms shall have the definitions provided in this Section 13.2.3. If a contrary definition appears in § 160A-385.1(b), the term shall have the meaning set forth in that section. Any terms not defined herein shall have the meaning assigned in Appendix A to this Ordinance.

CITY - The City of Kannapolis, North Carolina.

LANDOWNER - Any owner of a legal or equitable interest in real property, including the heirs, devisees, successors, assigns, and personal representative of such owner. The landowner may allow a person holding a valid option to purchase or contract to act as his agent or representative for purposes of submitting a proposed site specific development plan or a phased development plan under this section, in the manner allowed by ordinance.

PHASED DEVELOPMENT PLAN - A plan which has been submitted to a city by a landowner for phased development which shows the type and intensity of use for a specific parcel or parcels with a lesser degree of certainty than the plan determined by the city to be a site specific development plan.

PROPERTY - All real property subject to zoning regulations and restrictions and zoning boundaries by the City.

SITE SPECIFIC DEVELOPMENT PLAN - A plan which has been submitted to a city by a landowner describing with reasonable certainty the type and intensity of use for a specific parcel or parcels of property. Such plan may be in the form of, but not be limited to, any of the following plans or approvals: a Planned Unit Development plan, a TND Greenfield plan, a subdivision plat, a conditional or special use permit, a conditional zoning district zoning plan, or any other land-use approval designation as may be utilized

by the City. Such plans include the information set required by § 13.2.8. A variance shall not constitute a site specific development plan. Neither a Sketch Plan nor any other document which fails to describe with reasonable certainty the type and intensity of use for a specified parcel or parcels of property may constitute a site specific development plan.

VESTED RIGHT - The right to undertake and complete the development and use of property under the terms and conditions of an approved site specific development plan or an approved phased development plan.

13.2.5. ESTABLISHMENT OF VESTED RIGHTS.

13.2.5.1. A Vested Right shall be deemed established for any property upon the approval (with or without conditions) of a Site Specific Development Plan or a Phased Development Plan by the appropriate City decision-making agency in accordance with the provisions of this section 13.2.

13.2.5.2. Notwithstanding the provisions of this § 13.2.5, the approval of a Site Specific Development Plan with the condition that a Variance be obtained shall not establish or be deemed to establish a Vested Right unless and until the Variance is obtained.

13.2.6. DURATION.

13.2.6.1. An amendment or modification of a Site Specific Development Plan or Phased Development Plan shall not extend the Vested Rights period unless the approval shall specifically provide for such extension.

13.2.6.2. A Building Permit which is issued for a development for which Vested Rights have been established shall not expire or be revoked because of the time limitations on validity of permits under NCGS § 160A-418 prior to the expiration of the Vested Rights period.

13.2.6.3. Where a Variance is required as a condition of the approval of a Site Specific Development Plan, the effective date of the approval which commenced the period for development shall be the date on which the Variance is granted.

13.2.6.4. A right to develop a Building or Structure or Use which has been vested as provided in this

section 13.2 shall terminate at the end of the applicable vesting period for all Buildings or Structures and Uses for which no valid application for a Building Permit has been filed.

13.2.6.5. Voluntary Annexation. In accordance with NCGS § 160A-31(h) and 160A-58.1(d), petitioners filing for voluntary annexation shall also submit a statement declaring whether or not vested rights with respect to the properties subject to the petition have been established. Whenever the City acquires jurisdiction over a territory that theretofore has been subject to the jurisdiction of another local government, any person who has acquired vested rights under a permit, certificate, or other evidence of compliance issued by the local government surrendering jurisdiction may exercise those rights as if no change of jurisdiction had occurred. The City may take any action regarding such a permit, certificate, or other evidence of compliance that could have been taken by the local government surrendering jurisdiction pursuant to its ordinances and regulations.

13.2.7. PROCEDURE FOR APPROVAL OF A VESTED RIGHT.

13.2.7.1. The procedures for approval of a Site Specific Development Plan are set forth in § 13.2.9, below. The procedures for approval of a Phased Development Plan are set forth in § 13.2.10, below.

13.2.7.2. Upon approval of a Site Specific Development Plan or a Phased Development Plan, each and every map, plat, site plan or other document prepared or used for the Development shall contain the following notation:

- “Approval of this Site Specific Development Plan establishes a Vested Right under North Carolina General Statutes § 160A-385.1. Unless terminated at an earlier date, the Vested Right shall be valid until [date approved by City].”

13.2.8. SCOPE OF VESTED RIGHTS.

13.2.8.1. Following approval or conditional approval of a site specific development plan or a phased development plan, nothing in this section shall exempt such a plan from subsequent reviews and approvals by the City to ensure compliance with the terms and conditions of the original approval, provided that such reviews and approvals are not inconsistent with said original approval. Nothing in

this section shall prohibit the City from revoking the zoning clearance permit for failure to comply with applicable terms and conditions of the approval or this Ordinance as set forth in Section 1.6.

13.2.8.2. A vested right, once established as provided for in this section, precludes any zoning action by the City which would change, alter, impair, prevent, diminish, or otherwise delay the development or use of the property as set forth in an approved site specific development plan or an approved phased development plan, except:

13.2.8.2.1. With the written consent of the affected landowner;

13.2.8.2.2. Upon findings, by ordinance after notice and a public hearing, that natural or man-made hazards on or in the immediate vicinity of the property, if uncorrected, would pose a serious threat to the public health, safety, and welfare if the project were to proceed as contemplated in the site specific development plan or the phased development plan;

13.2.8.2.3. To the extent that the affected landowner receives compensation for all costs, expenses, and other losses incurred by the landowner, including, but not limited to, all fees paid in consideration of financing, and all architectural, planning, marketing, legal, and other consultant's fees incurred after approval by the City, together with interest thereon at the legal rate until paid. Compensation shall not include any diminution in the value of the property which is caused by such action;

13.2.8.2.4. Upon findings, by ordinance after notice and a hearing, that the landowner or his representative intentionally supplied inaccurate information or made material misrepresentations which made a difference in the approval by the City of the site specific development plan or the phased development plan; or

13.2.8.2.5. Upon the enactment or promulgation of a State or federal law or regulation which precludes development as contemplated in the site specific development plan or the phased development plan, in which case the City may modify the affected provisions, upon a finding that the change in State or federal law has a fundamental effect on the plan, by ordinance after notice and a hearing.

13.2.8.3. The establishment of a vested right shall not preclude the application of overlay zoning which imposes additional requirements but does not affect the allowable type or intensity of use, or ordinances or regulations which are general in nature and are applicable to all property subject to land-use regulation by the City, including, but not limited to, building, fire, plumbing, electrical, and mechanical codes. Otherwise applicable new regulations shall become effective with respect to property which is subject to a site specific development plan or a phased development plan upon the expiration or termination of the vesting rights period provided for in this section.

13.2.8.4. Notwithstanding any provision of this section, the establishment of a vested right shall not preclude, change or impair the authority of the City to adopt and enforce zoning ordinance provisions governing nonconforming situations or uses. (See § 13.1 of this Ordinance).

13.2.8.5. A vested right obtained under this section is not a personal right, but shall attach to and run with the applicable property. After approval of a site specific development plan or a phased development plan, all successors to the original landowner shall be entitled to exercise such rights.

13.2.8.6. Nothing in this section shall preclude judicial determination, based on common law principles or other statutory provisions, that a vested right exists in a particular case or that a compensable taking has occurred. Except as expressly provided in this section, nothing in this section shall be construed to alter the existing common law.

13.2.9. SITE-SPECIFIC DEVELOPMENT PLANS (SSDPs).

13.2.9.1. General. The City Council or the Planning and Zoning Commission (for preliminary subdivision plats) may, but under no circumstances is it required, to approve a Site-Specific Development Plan (SSDP). The SSDP shall bind the applicant and the City Council (the "parties") and shall contain those terms and conditions agreed to by the parties and those required by this Section. The Administrator and the City Attorney, or their designees, are authorized to negotiate Development Agreements on behalf of the City Council to enforce a SSDP.

13.2.9.2. Applicability. The City Council or the

Planning and Zoning Commission may approve a SSDP pursuant to this Section only if the proposed development to which the SSDP pertains is in conformity with the then adopted *Comprehensive Plan* and capital improvements program, zoning regulations, and other applicable requirements of this Ordinance. The SSDP shall be used solely as a means to enforce compliance with the terms of this Ordinance, and shall not be considered an inducement for the approval of any application for development approval.

13.2.9.3. Duration.

13.2.9.3.1. Upon approval of a Site Specific Development Plan, the right to develop such Development or Use shall continue for period of two (2) years from the date of approval of such Site Specific Development Plan.

13.2.9.3.2. Notwithstanding the foregoing, the City, in its approval, may authorize a Vested Rights development period of longer than two (2) years, but in no event longer than five (5) years, if, in the City's sole discretion, such longer period is necessary because of the size and phasing of the Development, the investment in the Development, the need for the Development, economic cycles, and such other conditions as the City may consider relevant.

13.2.9.4. Procedure for Approval of an SSDP.

13.2.9.4.1. An application for an SSDP may be made to the Administrator in accordance with the procedures set forth herein. Application may be made by the landowner. If made by the holder of an equitable interest, the application shall be accompanied by a verified title report and by a notarized statement of consent to proceed with the proposed SSDP executed by the landowner. Application may be made by the Planning Commission or the City Council. If made by the Planning Commission or the City Council, the applicant shall obtain and attach a notarized statement of consent to proceed with the proposed SSDP executed by the owner of the subject property.

13.2.9.4.2. Coordination of SSDP Application with other Discretionary Approvals.

It is the intent of these regulations that the application for an SSDP will be made and

considered simultaneously with the review of other necessary applications; including, but not limited to, land-use approval designation as may be utilized by the City. If combined with an application for rezoning, subdivision and plat approval, planned development or conditional use permit, the application for a SSDP shall be submitted with said application and shall be processed, to the maximum extent possible, jointly to avoid duplication of hearings and repetition of information. A SSDP is not a substitute for, nor an alternative to, any other required permit or approval, and the applicant must comply with all other required procedures for development approval.

13.2.9.4.3. Contents of a SSDP. No SSDP shall be approved by the City Council or Planning and Zoning Commission, nor shall any such SSDP or any provision of such SSDP have any legal force and effect, unless the application contains the following minimum provisions:

- The approximate boundaries of the site;
- Significant topographical and other natural features effecting development of the site;
- The approximate location on the site of the proposed buildings, structures, and other improvements;
- The approximate dimensions, including height, of the proposed buildings and other structures;
- The approximate location of all existing and proposed infrastructure on the site, including water, sewer, roads, and pedestrian walkways; and
- Any other matters set forth in NCGS § 160A-385-1(b)(5).
- The provisions of this Section supplement, but do not replace, any additional information required by Appendix B for any site plan, Planned Unit Development plan, a TND Greenfield application, a subdivision plat, a conditional use permit, a conditional zoning district zoning plan, or any other application for development approval required for the proposed development.

13.2.9.4.4. Approval of City Council or Planning and Zoning Commission.

No SSDP shall become effective until approved by the City Council or Planning and Zoning Commission. What constitutes a site specific development plan under this section that would

trigger a vested right shall be finally determined by the document that triggers such vesting shall be so identified at the time of its approval. The City Council or Planning and Zoning Commission shall consider the proposed SSDP consistent with any procedures as may be established pursuant to NCGS § 160A-385.1. The City Council or Planning and Zoning Commission may:

- Approve the SSDP;
- Approve the SSDP with conditions; or
- Reject the SSDP, in whole or in part, and take such further action as it deems to be in the public interest.
- The City Council or Planning and Zoning Commission, in approving an SSDP, shall expressly find that the agreement meets those criteria in this Ordinance for approval of the Applications for Development Approval.

13.2.9.5. Recordation of SSDP. No later than ten (10) days after the City Council or Planning and Zoning Commission approves an SSDP, the Administrator shall record a copy of the SSDP with the county register of deeds, and the recordation constitutes notice of the SSDP to all persons. The burdens of the SSDP are binding on, and the benefits of the SSDP inure to, the parties to the agreement and to all their successors in interest and assigns.

13.2.9.6. Covenants. Unless otherwise provided in the SSDP, any covenant by the City Council or Planning and Zoning Commission contained in the SSDP to refrain from exercising any legislative, quasi-legislative, quasi-judicial or other discretionary power, including rezoning or the adoption of any rule or regulation that would affect the proposed subdivision, shall be limited to a period not exceeding that specified in NCGS § 160A-385(d)(1). The covenant shall also contain a proviso that the City Council or Planning and Zoning Commission may, without incurring any liability, engage in action that otherwise would constitute a breach of the covenant if it makes a determination on the record that the action is necessary to avoid a substantial risk of injury to public health, safety and general welfare. The covenant shall contain the additional proviso that the City Council or Planning and Zoning Commission may, without incurring any liability, engage in action that otherwise would constitute a breach of the covenant if the action is required by federal or state law.

13.2.9.7. Notice of Decision. Within ten (10) days following a decision of an SSDP, the Administrator shall give notice of such action to the applicant.

13.2.9.8. Third Party Rights. Except as otherwise expressly provided in the SSDP, the SSDP shall create no rights enforceable by any party who/which is not a party to the SSDP.

13.2.9.9. Amendment or Cancellation. An SSDP may be amended, or cancelled in whole or in part, by mutual consent of the parties to the SSDP or by their successors in interest or assigns.

13.2.10. PHASED DEVELOPMENT PLANS (PDP's).

The procedures and requirements pertaining to Phased Development Plans (PDP's) shall be the same as those set forth for SSDP's in § 13.2.9, except as provided below:

13.2.10.1. Duration. The City Council or Planning and Zoning Commission may, but under no circumstances is it required, provide by ordinance that approval by the City Council or Planning and Zoning Commission of a phased development plan shall vest the zoning classification or classifications so approved for a period not to exceed five years.

13.2.10.2. Procedure. The document that triggers such vesting shall be so identified at the time of its approval. The City Council or Planning and Zoning Commission still may require the landowner to submit a site specific development plan for approval by the city with respect to each phase or phases in order to obtain final approval to develop within the restrictions of the vested zoning classification or classifications.

13.2.10.3. Discretion. Nothing in this section shall be construed to require the City Council or Planning and Zoning Commission to adopt an ordinance providing for vesting of rights upon approval of a phased development plan.

13.3. EXPIRATION OF DEVELOPMENT APPROVALS.

13.3.1. TIME OF EXPIRATION.

Unless otherwise specifically provided for in this Ordinance, development applications shall automatically expire and become null and void, and all activities taken pursuant to such development application shall cease and become null and void, and all activities pursuant to such approval thereafter shall be deemed in violation of this Ordinance, when: 1) the applicant fails to satisfy any condition that was imposed as part of the original or revised approval of the application for development approval, or that was made pursuant to the terms of any development agreement, including the failure to abide by specified time limits established therein; or 2) the applicant fails to present a subsequent development application as required by this title within the time so required or as may be required by Table 13.3-1 or 13.3-2 this Ordinance or North Carolina law. If no time limit for satisfaction of conditions is specified in the original or revised approval of the development application, the time shall be presumed to be twelve (12) months from the date of approval.

13.3.2. DATE FROM WHICH TIME LIMIT IS MEASURED.

13.3.2.1. Each time period referenced on Table 13.3-1 and Table 13.3-2 shall run from the final action of the appropriate official, officer, board, commission or the governing body with valid and legal jurisdiction to take such action or to approve such plans or to issue such permits. Except as may be otherwise indicated herein, the date of final action shall be the date such action was taken or such approval was granted or such permit was issued, as set forth on such action, approval or permit.

13.3.2.2. In order to assure that all applicants for actions, approvals or permits are informed of the applicable time limit, the date of final action and the expiration date shall be shown on each such action, permit or approval; but provided, however, that the Administrator's failure to include either the date of final action or the expiration date shall not be deemed to be a waiver of such dates nor shall it be the basis of any action by the applicant to challenge the applicable expiration date. The burden is on the applicant to know the date of issuance and the expiration date. If either or both of such dates are

not shown, the applicant may request, and the Administrator shall promptly supply such date or dates.

13.3.2.3. All actions, approvals or permits shall expire on the expiration date unless a valid extension has been granted on or before the expiration date pursuant to section 13.3.3 herein.

13.3.3. EXTENSIONS OF TIME LIMITS.

13.3.3.1. First Extension. Unless otherwise prohibited by North Carolina law or this Ordinance, the Administrator may extend the time for expiration of a development permit or approval for a period not to exceed one (1) year from the date of the original decision granting approval, if the application for extension is made in writing within the original period of validity. Subsequent extensions may be made by the final approval body upon finding that conditions at the time of approval have not changed.

13.3.3.2. Additional Extensions. There shall be no additional extensions of any time limits for actions, approvals or permits set forth herein, as of right. Any extensions must be expressly requested by the applicant, in writing, and approved by the appropriate official, officer, board, commission or the governing body which originally took the action, approved the plan or issued the permit.

13.3.3.3. A request for an extension of an expiration date shall be made on a form provided by the Administrator and shall include, but shall not necessarily be limited to, the following:

- the current date of expiration;
- the extension period requested, which shall be no longer than the original period of time granted; and
- the reason(s) that the applicant has been unable to proceed within the period of the original expiration date.

13.3.3.4. Before granting an extension, the official, officer, board, commission or the governing body shall determine whether any applicable changes in land use regulations have occurred which would impose new requirements with respect to such action, approval or permit, if an extension were

denied, and the applicant were compelled to re-file for an original action, approval or permit. If changes have occurred, the official, officer, board, commission or the governing body shall balance the burden imposed on the applicant if required to re-file for an original action, approval or permit against the benefit accruing to the public by requiring the applicant to comply with the new regulation.

13.4 NON CONFORMING MANUFACTURED HOME PARKS

13.4.1 GENERAL PROVISIONS

The development of land for the purpose of Manufactured Home Parks is prohibited in all Zoning Districts. The provisions of this Section shall apply to all existing Manufactured Home Parks in the jurisdiction of Kannapolis including those parks annexed into the City and those within an expanded Extraterritorial Jurisdiction.

The non-conforming use provisions of Section 13.1 shall not apply to manufactured home parks.

Existing Non-conforming Manufactured Home Parks which have been issued a Zoning Compliance Permit as having met the standards of the former Kannapolis Zoning Ordinance (Subsection 6:15.1 Manufactured Home Park Standards for New Construction) may continue to operate under that Permit as a Continuation Permit subject to remaining in compliance with the provisions of the former Kannapolis Zoning Ordinance (Subsection 6:15.1) as described in Section 13.4.2 below.

Existing Non-conforming Manufactured Home Parks which have been issued a Continuation Permit as having met the standards of the former Kannapolis Zoning Ordinance (Subsection 6:15.2 Manufactured Home Park Standards for Manufactured Home Excepted From Compliance with Section 5:1.6) may continue to operate under that Permit subject to remaining in compliance with the provisions of the former Kannapolis Zoning Ordinance (Subsection 6:15.2) as described in Section 13.4.3 below.

All manufactured home parks operating under one of the permits described above may continue. However, the originally approved arrangement of spaces is not to be altered nor the number of spaces increased. Manufactured homes within such parks may be removed and replaced provided that the replacement manufactured home is no older than 1976 and must conform to the design and installation standards of Section 4.17.8.2 of this Ordinance.

13.4.4 CESSATION OF NON-CONFORMING MOBILE HOME PARKS NOT OPERATING UNDER A CONTINUATION PERMIT

All existing Non-conforming Manufactured Home Parks which are not operating under a Continuation Permit shall cease to operate and all mobile homes and related structures in the mobile home park shall be removed not later than five (5) years after the date that the mobile home park owner is notified by the Administrator that the manufactured home park is non-conforming. Such notification shall be in writing by the Administrator and shall be by one of the following methods:

- a. Certified or registered mail;
- b. Personal service; or
- c. If the name or whereabouts of the owner cannot, after due diligence be discovered, the notice shall be considered properly served if a copy thereof is posted in a prominent location on the property and the notice is published once in a newspaper having general circulation in the City.

The date the notice is mailed, served or posted and published, which ever is the effective notice, shall constitute the date of notification. Certification of notice by the Administrator shall be deemed conclusive evidence of notification in the absence of fraud. No other notice shall be required in this cessation process.

Notwithstanding the cessation requirements for mobile home parks as set forth above a non-conforming mobile home park may be permitted to continue to operate provided the mobile home park is reconstructed to meet all of the minimum standards of the former Kannapolis Zoning Ordinance (Subsection 6:15.2) as set forth as Subsection 13.4.3 of this Ordinance. This reconstruction may be done by any

non-conforming mobile home park without regard to zoning classification but shall be done without extension or enlargement of the nonconforming situation. This condition must be met no later than eighteen (18) months after the date of notification by the Administrator. If this condition is met, the Manufactured Home Park will be issued a Continuation Permit by the Administrator that will allow it to continue as a non-conforming situation. If this condition is not met by that date, the Manufactured Home Park shall cease to operate and all mobile homes and related structures must be removed by the cessation date as set forth in this Subsection. In the reconstruction or cessation process, no mobile homes shall be permitted to remain or be replaced as mobile homes on individual lots except where permitted in the Zoning District where located and unless all the requirements of this Ordinance are met.

To receive a Continuation Permit from the Administrator in accordance with this condition, a Site Plan for review by the Planning and Zoning Commission shall be submitted in the form as specified in Section 3.5 of this Ordinance and shall depict how the mobile home park is to be reconstructed to meet the minimum standards. Prior to receiving a Continuation Permit, the Manufactured Home Park shall have been reconstructed to meet the minimum standards of the former Kannapolis Zoning Ordinance (Subsection 6:15.2).

Existing Non-conforming Manufactured Home Parks which have not been issued a Continuation Permit shall, during the interim, comply with the following provisions:

1. The total number of Manufactured home spaces shall not be increased above that existing at the time of non-conformity and which spaces were manifestly designed and arranged as Manufactured Home spaces.
2. Existing Manufactured Homes may be replaced on a one-to-one ratio without regard to size provided that the replacement unit bears the HUD seal. No Manufactured Home which does not bear the HUD seal shall be located or relocated anywhere within the jurisdiction of this Ordinance
